Social / Emotional

Christmas Bingo

Facilitator Diversional Therapist, Lifestyle / Activity Staff or Volunteer

Objective of Activity

Stimulate memory recall, reminiscence of past memories, social interaction

Capability

- Motivation
- Some level of concentration
- Fine Motor Skills

Environment

Lounge room or a room that has enough room

Equipment

- Christmas bingo set
- Large laminated bingo cards (for the visually impaired)
- Glass stones (easier to pick up for resident)
- For number/picture projection onto screen (for hearing impaired) you will also require projector, computer and bingo projection sheet.

Instructions

- Trestles tables and seating set up when and where required.
- Residents assisted with bingo game set up if needed
- If necessary use a microphone to enable all residents to hear clearly
- Game consists of 3 x 10 cent games, 4 x 20cent games and 1 x 50 cent game (other rewards may be used instead of money)
- As numbers/pictures are being called use computer (plugged into television) to project numbers on television for the hearing impaired residents.
- Person who gets all the numbers/pictures first wins the money in the kitty.

Social / Emotional Christmas Bingo

Goals of Activity

PHYSICAL:

- Maintain sitting posture and balance
- Encourage walking to group if ambulant
- Maintain upper limb functions, strength, fine motor skills and dexterity
- Maintain ability to perform purposeful movements
- To channel restless behaviour into a meaningful physical activity

SENSORY:

- Maximise the use of and visual skills, reduce risk of sensory isolation and deprivation, by using senses: Vision, touch and hearing
- Maintain body awareness in regard to environment and others

COGNITIVE:

- Stimulate residual mental abilities to optimise cognitive functioning and maintain confidence in mental abilities
- Encourage continued use of numeracy/counting skills
- Promote life review through the use of past or recent memories
- Reminiscence will help cue past memories with the use of vision, touch and hearing senses
- Prompts past learned skills of a familiar nature
- Assist with the maintenance of orientation, appropriate behaviours including reasoning, judgement and social insight
- Stimulate long-term memories

COMMUNICATION:

- Maintain social interaction and motivation to communicate within the group
- Maintain verbal and non-verbal skills
- Past familiar songs encourage vocalisation through singing and music
- Familiar songs cue and promote fluency

SOCIAL/EMOTIONAL:

- Maintain alertness and concentration span and attention skills
- Utilize comprehension and broad thinking skills
- Promote visual and auditory memory enhancement
- Stimulate residual mental abilities to optimise cognitive functioning and maintain confidence in mental abilities
- Assist to raise level of planning, sequencing and task orientated skills by the use of activity
- Maintain/build alertness and concentration span
- Encourage continued use of numeracy/counting skills
- Prompts past learned skills of a familiar nature
- Assist to raise level of planning, sequencing and task orientated skills by use of activities
- Encourage comprehensive and abstract thinking skills
- Over all to just have fun and laugh as a group
- Have fun !
